

Volunteer Spotlight

Meet Cynthia Haterius

Each month, we will do a spotlight on one of our volunteers who helps keep the music you love on air. Cynthia Haterius is this month's Volunteer of the Month. Cynthia is a member of KCME and Jazz 93.5's Community Advisory Board where she serves as the Board Secretary. She is a long-time friend and supporter of the station and we can't wait for you to learn more about her and what she loves about KCME!

How long have you been listening to KCME?

I have been listening to KCME since we first moved here in 1991.

What do you love about KCME?

I love the music. I have always loved the programming, such as Dinner and a Movie, Classical Guitar Alive and Instrumentality. I turn the radio on in the morning and listen throughout the day so all the announcers feel like old friends since they are here at home with me.

What have you enjoyed the most about volunteering with the station?

I have really enjoyed being a volunteer with the Community Advisory Board and getting to know the other CAB members as well as getting to know the people of the station. Radio is such a different world than medicine so it has been fun to learn about the business of radio.

Any words of wisdom?

Laugh. It can get you through anything. The world is a strangely entertaining place.
